

# Vote Wise for Mayor

My name is Scott Wise, and it is my hope that you will vote for me, and encourage others to vote for me to be the next Mayor of Columbia City. I will devote myself to our citizens, our city and our future.

We as a nation face some of the most trying times in the history of our Republic. We must pull together as a community and help each other. This will benefit all of us, and ensure a city and community in which our children will want to raise families.

I will use my experience and education in the business world, government and life to better our community. I will consider it my mission to "represent" the regular everyday citizen in all aspects of City government. I will use every resource to ensure a stable community and a limited role of government. I will consider it my duty to let you keep more of your money.

I am humble enough to listen to advice, strong enough to stand firm, and confident enough to make tough decisions.
